

ABSENTEE BALLOT APPLICATION LAWS

Who can apply for an Absentee Ballot?

Any registered voter qualified to vote in an election may request and receive a mail-in absentee ballot for the November 3, 2020 election. No special circumstance or reason is needed to receive and vote a mail-in absentee ballot.

Questions about mail-in absentee voting and deadlines should be directed to the county election office.

Follow the Law!

1. Never write on or alter the ballot application form in any way. The person applying to absentee vote must complete the application form and sign their name.
2. Never refuse a ballot application form to anyone. If a person asks for a ballot application form, you must provide one to them.
3. Never discourage anyone from completing a ballot application form.
4. Never make a copy or take a picture of a completed ballot application form.
5. Do not accept a complete ballot application form from a voter unless your Field Director has instructed you in writing to do so. Some states prohibit anyone but a family member of the voter from returning applications to the state

Violations of ballot application and election laws can result in fines and/or incarceration.
